PUBLIC SCHOOL

Term 4 Week 10

10 December 2021

## From the Principal's desk

What a terrific way to end our year with our presentation assembly this afternoon. Congratulations to all our students for a terrific year of learning which we were able to celebrate at our assembly. It was wonderful to have our special visitors onsite with us for this event.

End of year reports have also been sent home this afternoon. If any parent would like to discuss their child's report with their class teacher, please contact the office.

As this will be my last newsletter at Carool, I would like to thank the staff, students and parents for a wonderful three terms in 2021. I absolutely love working at Carool PS and will miss driving up the hill each day and working with these beautiful children. I wish Carool good luck for the next chapter in the schools journey with Mrs Francis and Mrs Ellem.

## Bushfire Season

Term 4 is the start of bushfire season. At the commencement of fire danger season, the school ensures that staff are familiar and prepared in accordance with our bushfire emergency management plan. In the event of approaching fire, the school will be in close contact with Police, NSWRFs and the SES. Parents will be kept informed via phone, email and texts. Please take the time to read the attached Bushfire Season Information for Parents brochure provided by the Health and Safety Directorate of the NSW Department of Education and the attached letter to our school community. If you have any questions about this matter, please make contact with the school.
