PUBLIC SCHOOL

Term 2 Week 6

3 June 2022

From the Principal's desk

Education Hardship Fund

The NSW Government has announced a funding package for all students in the Northern Rivers flood affected areas.

The Education Hardship Fund will provide \$500 for each of our students. The funds will be allocated as a credit to each student's school account. The funds will be available for use until the end of the 2023 school year.

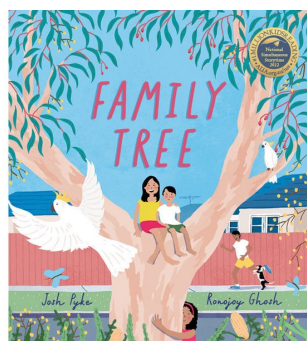

This grant will be managed by the school. Families will have the option of using these funds for things such as excursions, school uniform purchased through the school or school photographs.

Community Assembly

The Term 2 Community Assembly will be held at 1.45pm on Thursday 30 June. All family, friends and community members are welcome. The students will be sharing some of their learning from this past term.

National Simultaneous Storytime

Last week we, along with 2,186,347 other students across the country and the world shared a reading of the picture book "Family Tree" written by Australian author Josh Pyke. It was wonderful to take part in this free event knowing that students right across the world were doing the same thing.

School Photographs

School photographs will now take place on Tuesday 16 August.

Athletics Carnival

The Small Schools Athletics Carnival will be held over two days in Week 9.

Tuesday 21 June will be for field events and the 800m. Students will be selected to attend the carnival based on qualifying distances and times. If your child is invited to attend, a separate permission note will be sent home once the event list is finalised.

Wednesday 22 June will be for track events and tabloids. All students from Kindergarten to Year 6 will attend this day. More information is on the permission note attached to this newsletter.

Premier's Reading Challenge

It's not too late to start reading for the Premier's Reading Challenge. The challenge will go through until August which gives plenty of time to read the number of titles required. Please remember to log the titles of the books you have read or let Mrs Francis know so that she can add the titles.

Centenary Raffle

Donations towards the hamper can be sent in at any time. Please consider donating some items to help put together an amazing prize.

ask your family and friends to start collecting as well.

Assembly – Amazing person

Abraham Lincoln – good sense

Abraham Lincoln was born in 1809, into a poor farming family. Abraham's parents could not read or write, and he was only able to go to school for about one year. He decided to educate himself by reading borrowed books.

When he became a lawyer, Abraham started working on anti-slavery cases as he didn't think it was right to have slaves. In 1865, he succeeded in ending the Civil War, abolishing slavery and becoming President of the United States of America.

Abraham Lincoln needed to show good sense to make wise decisions throughout his life.

We will all be faced with lots of problems and challenges. We can't fix all of the problems we face. One way to show good sense is work out which are the most important for us to solve.

ART

This week the students created trees based on Wassily Kandinsky's concentric circles painting.

The Centenary fundraising raffle has been launched and we are delighted by the response and support from students and families so far! Keep up the great work selling tickets and helping spread the word about our Centenary event. Remember to return ticket tabs and monies raised to the school as soon as you can. You can also return any tickets that you are unable to sell so they can be given to another person. We will have a champion fundraiser prize this year for the student who sells the most tickets. This prize is confirmed as a \$50 HOYTS Tweed Heads Cinema voucher!

Hot lunch Friday was enjoyed by students and staff. We will hold another on Friday 10 June.

Send orders and payment in to the office or you can order and pay online through the P&C website with **orders needing to be in by 8:00 am on the day**. The P&C website is

RAINBOW MAGIC!

We all had to stop and admire a beautiful rainbow that appeared over the valley when the sun shone through last week!

JAPANESE KITES

Students in the K-2 classroom enjoyed making Japanese kites.
