District Athletics Carnival

Ben will be representing Carool and the Small Schools team at the District Athletics Carnival on Thursday 3rd August. We wish Ben the best as he competes at the carnival.

YouTube

YouTube has recently created options for parents to decide which aspects of YouTube are most suitable for their children to explore. YouTube Kids can be set to show content level based on a child's age. A supervised Google Account for YouTube can be used to manage a child's experience on the app, website, smart TVs and gaming consoles with three content settings starting at 9+.
