Term 3, Week 10

27 September 2018

And just like that Term 3 draws to a close and so too does my time at Carool. It has been a wonderful and busy three terms during my time in the teaching principal's chair and it has certainly been my most enjoyed role to date. To have the special opportunity to lead and teach together every day in the unique learning environment that is Carool, our school on the hill. Thank you to all of the students, staff and families for my very warm send off yesterday – it is certainly a thank you and not goodbye. I look forward to visiting to see and share in the many continued achievements of the students at Carool.

Belinda Eadsforth who has been working with the students Thursdays and Fridays this term will take the reins five days a week as Teaching Principal in Term 4 until Mrs McMahon returns in 2019. Mrs Eadsforth will teach 3-6 Monday - Wednesday and K-6 Thursday and Friday. There is a lot planned for a very busy and exciting Term 4 and her expertise in literacy, numeracy, project based learning and the performing arts especially music, will ensure the students have a brilliant term of learning.

2018 NAPLAN Results – Year 3 and Year 5 Students

Last Thursday families with students in Year 3 and Year 5 received their child's Naplan results report from their tests sat in May. If you have any questions about how to interpret your child's report or their achievement and progress in Literacy and Numeracy please contact the school to arrange a time to meet with us.

UPCOMING EVENTS

SEPTEMBER

Friday 28

- Last day of Term 3 - mufti and class party - bring a gold coin for playground equipment fundraising and some party food to share.

OCTOBER

Sunday 7

- Daylight savings starts

Monday 15

- Term 4 starts for students & staff

Friday 26

- Peter & the Wolf pantomime @ Murwillumbah Civic Centre

Tuesday 30

- Tweed River High visit & writing task—Yr 6

Recent Events and Activities

Small Schools Ball Games Carnival

K-6 worked as incredible teams and lots of fun was had under the sun at Les Cave Oval Murwillumbah, last Friday. With huge efforts in Captain Ball, Tunnel Ball, Over Under and Tug of War our students developed ball skills, teamwork and communication skills through this Community of Schools event.

Playground Award

Our fortnightly playground award celebrates the kindness, inclusivity and respect that our students show each other every day on the playground. Our recipient this fortnight is Damon from Year 5. Thank you Damon for consistently making our Carool playground a happy place to be with your compassion, awareness and inclusion of others. Your weekly and daily organisation of lunchtime dance club this term has given students new chances for fun and friendships every day. You make Carool a better place! Enjoy your very well deserved movie ticket.

Sharing Assembly

Yesterday our students from K-6 presented their second Sharing Assembly for Term 3. Students shared their brilliant work in poetry, informative writing and drama. We were proud to acknowledge and celebrate the special achievements of students in recent academic and sporting opportunities. Students received awards for district and regional sporting representation, Premier's Spelling Bee, FNC Public Speaking and Premier's Sporting Challenge. Thank you to the many families who came to share in all our recent learning and achievements.

Upcoming Events & Dates for your Diary

Peter & the Wolf pantomime - Week 2, Friday 26 October

K-6 will travel by bus to Murwillumbah Civic Centre to watch the performance of Peter & the Wolf. Please return permission note and \$10 (\$5 entry + \$5 for bus) by Wednesday 17 October (Term 4 week 1).

Year 4-6 Tyalgum Ridge Camp – Week 6, Monday 19 to Wednesday 21 October

For those students who have indicated they will be going to this camp, parents are reminded that full payment is due by Monday 12 November (Term 4 week 5). More information about this camp will be sent home early Term 4.

Whole school swimming lessons - Term 4, Weeks 4 to 7

We are in the process of finalising swimming lessons in Term 4. They will run over 4 weeks each Friday from 9 November until 30 November. This program will once again be subsidised by the Australian Sporting Schools grant with parents asked to pay a small amount to subsidise bus costs. More information to follow early Term 4.

Kindergarten 2019 orientation days

Kindergarten orientation days will be held in Term 4 to allow our Kindies for 2019 to meet our teachers and students and get a taste of big school! Information on planned days and times will go out early next term. If you know of anyone looking to enrol their child in Kinder next year please ask them to call the office and make a time to come see our beautiful school and talk to the principal. We also welcome enrolments from other grades as well.

Thank you

Thank you to a parent who approach Boyd's Bay Landscape Supplies about donating some soil to the school. We are now the proud recipients of a healthy mound of soil. This will allow her mum to keep potting seedlings for us to sell at markets stalls to raise funds for our playground equipment. Some of the soil will also be used to top up our veggie gardens. A huge thank you also goes to Emily in Year 2 and her family who recently went to Piggabeen Markets with cupcakes ready to sell but on arriving realised we did not have a stall for fundraising this time around. Emily approached the market coordinator who let her sell her cupcakes for our school raising \$45.00 towards our fundraising goals. Thank you Emily and her family. Another step closer! We will be organising another Carool stall in Term 4 and we look forward to your support for goods and volunteers for the day.

Thank you again for embracing me so warmly during my time at Carool. I will miss this special learning community and all its students, staff and families. All the best for a safe and happy holiday and rest of 2018.

Warmest regards

Laetitia Cross

Relieving Principal

UPDATE ON LEARNING 3-6

Years 3-6 have continued their journey in Australia's history with detailed exploration of Australia's history in war and conflict as well as the impact these have had on immigration and refugees in Australia. Students responded to and composed powerful and moving poetry to capture the bravery, impacts and costs of war. We learnt about the story of our donated Anzac Bear, Trooper Jones as a member of the Light horse Brigade in WW1 and read the stories of the boys and men who fought in this brigade. We are hoping to create an anthology of students' poetry about war as part of our recognition of the Centenary of Remembrance which will occur in November this year.

We have been applying all of our skills across the four operations to investigate patterns and algebra these last two weeks and Stage 3 have thoroughly enjoyed the chance to work with some pre-algebra concepts and processes and Stage 2 can not only identify patterns in numbers but also continue them to find later terms in the pattern across all four operations. The students should be very proud of how they have used goal setting in mental computation skills to achieve so much in all areas of Mathematics.

I wish all the students in 3-6 a wonderful Term 4, I will certainly miss teaching them and their love of learning, passion for discussion and incredible independence to work in a multi-age classroom.

Mrs Cross

UPDATE ON LEARNING K-2

The term is almost over and K-2 have been wrapping up the units of work they have been engaging in. In writing we have been improving our writing by showing the reader what is happening using our adjectives and verbs. By doing this we are helping to paint a picture for our readers. Furthermore, the students have all finished their research task on their favourite animal and converted this information into an informative writing piece. We now know many interesting facts about our wildlife.

In maths we have been focusing on subtraction by counting back using a number of different card games. The students have shown great improvement in subtraction due to our daily buzz off game which requires students to count back from 100. We have also been looking at different shapes and learning what tessellation and symmetry is.

In history, the students have been learning about the history of our local Mount Warning. We now know that Mount Warning is a shield volcano and how it is sacred to Bundjalung people. The students looked at how this area helped local Aboriginal people survival and why it is so popular within our region. This week was the last of our puppet pals program where the students learnt about how to greet each other and the importance of using kind language.

Have a safe and relaxing holiday.

Mr Hartmann

Saver Plus is an initiative of the Brotherhood of St Laurence and ANZ, delivered in partnership with Berry Street, The Benevolent Society and The Smith Family and other local community agencies. The program is funded by ANZ and the Australian Government Department of Social Services. Go to www.saverplus.org.au for more information.

Non-Teaching Staff School Introduction Training Days

The Department of Education is seeking people who are interested in commencing work within public schools in your area.

The School Administrative and Support (SAS) Staff Reference Group welcome any people looking to start work in school administration to enrol in our Non-Teaching Staff School Introduction training programs.

The aim of this training is to provide participants with an overview of school administrative roles. Participation in these introduction days are **not** a guarantee of employment with the Department of Education. Participants are required to obtain a Working with Children Check (WWCC) clearance for paid work at their own cost. <https://www.kidsguardian.nsw.gov.au/child-safe-organisations/working-with-children-check>. Payment is then made through Service NSW prior to attending day one. To enable processing for potential employment, participants are required to bring necessary completed forms, which appear on the MyPL registration page. Many schools have a policy of not employing current parents or associates within their own school.

It would be desirable if participants had a sound knowledge of the Microsoft Office suite.

The training days will be held in the following locations:

Goonellabah office – Wednesday 17 October & Friday 9 November 2018
Tweed Heads South Public School – Wednesday 24 October & Tuesday 13 November 2018
Macleay Public School – Wednesday 24 October & Tuesday 13 November 2018
William Bayldon Public School – Wednesday 24 October & Tuesday 13 November 2018
Frederickton Public School – Friday 26 October & Friday 9 November 2018
Port Macquarie Library – Thursday 25 October & Wednesday 7 November 2018
Forster office – Monday 22 October 2018 & Tuesday 6 November 2018

To secure a place in this course, participants will need to register online as a community member on MyPL. Go to the following site <https://mypl.education.nsw.gov.au/> and select Register. After completing the details, an email will be sent with instructions on how to get started and select the venue you wish to attend. The course codes are Day 1: NR22842, Day 2: NR22844.

There will be no cost to the participant other than them acquiring their WWCC prior to attending the training. Tea and coffee will be available throughout the day. Participants are to provide their own morning tea and lunch.

Further information can be provided by contacting the SAS Staff Reference Group (SRG) Coffs Harbour on (02)6623 5911 or by email at SRGCoffsHarbour@det.nsw.edu.au
